The background of the cover is a painting. It depicts the United States Capitol building in Washington, D.C., with its iconic dome and neoclassical architecture. In the foreground, there is a lush green field with a wooden fence. Several cows are grazing in the field. The sky is a soft, hazy blue. The overall style is that of a classical or impressionistic painting.

THE AMERICAN PRESIDENCY **AFTER** **BARACK OBAMA**

At the end of October 2016, Italy's Public Comparative and European Law Association (DPCE) in collaboration with the Consulate General of United States of America organised a congress in Milan entitled 'The American Presidency after Barack Obama' about the evolution of the presidential role during Barack Obama's eight years in office. The seminars allowed Italian scholars to focus on the different profiles of the Presidency as a governmental institution.

This volume is the outcome of that congress.
